Good Day

I have the honor and confidence to introduce to you this business in view of the fact that you are trustworthy and reliable in business. Obviously, you will be surprised to read this letter from me consider it as a request from a family in dear need of foreign assistance.

few months ago, I also lost My mother in car accident.

Obviously I am contacting you for transferring of fund into your bank account for safety reasons, and business negotiation according to the business atmosphere of your country since the financial laws of South Africa did not permit such privilege as a refugee.

I am PRINCE MORGAN, the son of Mr. HARRISON DONGA MORGAN of Zimbabwe ; it was the current crisis against the farmers in Zimbabwe from the supporters of our President ROBERT MUGABE to claim all the white owned farms to his camp.

My father was one of the best black farmers my country, because he opposed against MUGABE'S will and ideas, MUGABE'S cambers invaded our farms, burnt everything in those farms, killed my father and looted most valuable properties that belongs to my late father.

Meanwhile, before his death, he deposited us Six Million Three Hundred Thousand United States Dollars (USD\$6.3M).with one of the private Security & Finance Company here in South Africa .

He wanted to use this money to buy new machines and tractors, but unfortunately he was killed during the crisis by this bad government. As the elder son, this fixed amount in my name.

Right now I and my younger sister are currently living in South Africa as refugees In view of this, we cannot invest this money in South Africa or continue farming; this is why I am asking for your hands to assist me to secure this fund out of South Africa for investment purpose in your country.

I propose to give you 30% of the said amount, 70% will be for and my sister Please, note that this fund is genuinely acquired by my father, and the whole arrangement for transferring of this fund out of South Africa into you country for investment purpose is 100% risk free.

My only worries I believe that it is (GOD) who bring men together for a greater reason, and I also pray for the spirit of understanding to in be input into us for successful transfer of the fund.

Yours truly,

MR PRINCE MORGAN
